

This architectural drawing shows a floor plan of a rectangular building. The plan features two large circular openings, one on the left and one on the right, each with a radial pattern of lines indicating structural elements. A grid of small squares is overlaid on the plan, with larger squares at the intersections. The drawing includes various structural annotations, such as dashed lines, solid lines, and arrows. A dimension line on the right indicates a width of 15600. A dimension line at the bottom indicates a length of 34000. The drawing is oriented with the long side horizontal.
